Partner Mindset Techniques and Tigs

Discretionary effort Stay Detached from the Outcome Be the Best Customer you can Stay Upbeat and Friendly

Notice what prevents you from being the best customer you can. What gets in the way for you?
What opportunities do you have to be the best possible customer you can be? (Example ask the waiter/waitress' name and use it; if the salesperson looks stressed and you're not in a rush, say you have the time and not to hurry; use an upbeat, friendly, relaxed tone when calling tech support.)
Now practice being the best customer you can be. Select a specific person/situation. What will you do? How will you behave? What will you say?
